Luffy wakes up to find that he's in bad shape and tries to find anyone to help him.

He finds a old man on a bench.

???-What are you doing at here and how are you injured?

Luffy-I got in a fight and barely won, thinking quickly.

???-Do you have family?

Luffy-I have a father but he's somewhere in the world, I don't know my mother, and I have 2 brothers named Ace and Sabo, but Ace died, Luffy said sadly recalling Ace's death.

???-I'm sorry to hear that, say do you want me to shelter you?

Luffy-Of Course, old man, but what's your name old man?

Matsuo-My name is Matsuo, what's your name?

Luffy-My name is Monkey D. Luffy.

Matsuo-Alright Luffy, follow me

Luffy-Ok old man, Luffy said happily.

After a long walk, they reach a mansion.

Luffy-Old man, I didn't know you live in a mansion

Matsuo-Well, I'm a butler at this mansion for a young boy.

Luffy-Can I meet him?

Matsuo-Of course.

Matsuo-Let's patch you up, eat first, and sleep, then you can meet that young boy.

Luffy-Ok old man, said happily.

When he starts to bandage Luffy, he notices one scar under Luffy's eye and a giant X on his chest.

Matsuo-Where did you get these scars Luffy?

Luffy-This scar under my eye was from childhood and the other was from lava touching my chest.

Matsuo-(so sad, yet so happy still)Frowning

When he was finished, Luffy rushes towards the table, waiting for Matsuo to cook.

When Matsuo finishes cooking, Luffy starts to eat.

Matsuo-Oh my, you have a big stomach.

Once Luffy finishes eating, he goes to his room to go get sleep.

The Next Day...

They go to get some breakfast and Luffy finds a brown haired boy weight lifting

Ayanokouji whispering-Who's this boy?

Luffy-Hi I'm Monkey D. Luffy, do you wanna be friends?

Friends?

Ayanokouji-Sure, we can be friends.

Luffy-YA

Ayanokouji and Luffy slowly become best friends, he told Luffy that he's socially awkward and that he needed help with social skills,

Luffy helped him to not stutter during talking and with his introduction. Luffy also challenged Ayanokouji to fight to which Ayanokouji lost wondered how can Luffy stretch his entire body. He also taught me how to smile.

Ayanokouji monologuing-Today, it is me and Luffy's first day at Advanced Nurturing High School, We got on a bus and we started to listen to music and I look at a girl's book "Crime and Punishment" until a blonde and a office lady were arguing about the old lady needing a seat.

I see Luffy gazing at the blonde intently and Luffy starts to walk up to the Blonde and give the seat to the old lady and the blonde didn't want to but then this happened.

### **Luffy- Conquers' Haki**

The Blonde gets scared as he runs away to another seat as everyone gets scared.

Luffy-Hai oba-san, the seat is all yours, said smiling.

Old lady-Young man, you didn't have to go that far for me.

Luffy-Its ok.

Ayanokouji-I almost became scared too. Does he have something to hide like mine, a dark past?

Ayanokouji monologuing-Me and Luffy start to get off the bus with everyone moving around us because they are scared of Luffy.

The black-haired girl begins to talk to me.

???-Why were you looking at me

Ayanokouji-I was interested in your "Crime and Punishment" book, I replied.

???-Alright.

Me and Luffy begin to walk to the entrance ceremony, it was really boring, and everyone can agree with me on that, including Luffy, who fell asleep standing.

We start to walk to our classroom Class D, we go to sit at our seats. Luffy was seated in front of me and my seatmate was Horikita Suzune, what a freaking coincidence.

Everyone was in the classroom, me and Luffy were talking to each other and someone named Miyake Akito joined the conversation and we were having fun, so this is what it means to have fun. I thank Luffy when we graduate for all he did for me.

A woman, looking around 28 or 29, was our homeroom teacher Chabashira-sensei.

She begins to explain about the school guidelines.

She, then, says there is karaoke, a mall, and a swimming pool. She then, says that we have been allotted 100,000 points for this month.

Most of the students are freaking while others are planning where

to spend their pp while Luffy is thinking about meat again.

Chabashira sensei leaves.

???-Everyone, may I have a moment please?

???-Why don't we introduce ourselves if we are all together for the three years?

Good thing, Luffy made me practice my introduction

???-I go first.

Hirata-My name is Hirata Yousuke, but you can call Yousuke without formalities. I play all sorts of sports and I intend to join the soccer club, ending it off with a smile.

He seems like the type of a class leader, but he is too naive.

Kushida-My name is Kushida Kikyo, My goal is to become friends with the entire school.

The boys looking at Kushida weirdly except me, Luffy, and Akito.

Hirata-Hey you over there, can you introduce yourself, pointing to Luffy.

Luffy-Of course, My name is Monkey D. Luffy, just call me Luffy because it sounds weird if you call monkey-kun, said smiling

Girls-AAHH, so bright, sheilding themselves from Luffy's pure smile.

Boys-Aye Luffy, are you a boobs or butt person?

Luffy-What's a boob, said confused?

One of the boys-Oh its a-

Girls-DON'T TELL HIM!

Hirata points to me

Hirata-Come on, introduce yourself.

Ayanokouji-My name is Aynokouji Kiyotaka, I like to drink coffee, read books, and play chess, ending it with a smile.

Later

Hirata-Hey Luffy and Ayanokouji, want to eat lunch with us?

Luffy-Sure.

Ayanokouji-I was going to get basic necessities first, you can invite me for lunch tomorrow alright.

Hirata-Alright, Luffy follow me.

Luffy-Ok.

Once they get to the lunch table.

Karuizawa-Why is your family name Monkey D. and also what's with the D?

Luffy- i don't why my name is Monkey D and I think D is connected to the Will of D, my friend Robin is trying to solve the WILL of D.

Sato-Why do you wear that strawhat?

Luffy-The strawhat is important to me, the person I Admire lost his arm just to save me, said smiling

Matsushita-What's his name?

Luffy-Akagami Shanks.

Luffy-Hey guys do you wanna see a trick?

All of them-Sure.

Luffy does the strawhat spin trick from the first op of One Piece.

All of them clap.

Hirata-That was cool Luffy.
